

Photo Tex | Adhesive Fabric Paper

This Ink-Jet Adhesive Fabric Media is compatible with pigment and water based inks. This fabric gives you vivid, sharp print results with brilliant colors. The adhesive is Re-movable, Re-usable and Re-positional. Photo Tex characteristics separate itself from any other product on the market that is using vinyl low tack adhesive. It will stick to any non-porous flat surface (in all weather and room temperature changes), and easily remove with 99% no residue. Photo Tex does not remove paint off a primed wall, and is safe to put over wallpaper. The material does not rip or wrinkle. Results will vary on stucco (painted preferred). Not recommended for brick or cement surfaces.
