

## ProTect Lamination Spray | 400 ml Can

**ProTect Inkjet Lamination Spray** - ProTect is an alcohol-based spray that renders inkjet prints highly water and scratch resistant, as well as increasing light-fastness of a print up to 5 times. This spray dramatically reduces color shift when fading occurs. This means all colors will fade at a more equal rate. Ozone friendly - no organic solvents. 400 ml can will cover up to 70 sq. ft. depending on application.
