

Super Wide Matte | Pressure Sensitive Lamination Film

Self-adhesive, cadmium-free, matte, non-reflective, transparent plasticised PVC film. Coated on one side with a solvent-free, age-resistant and permanently elastic acrylate adhesive. Superwide Matte is washable and resistant to a large number of detergents and solvents. Superwide Matte can be printed on using special inks. The film can be written on using soft lead, grease or coloured pencils, as well as appropriate fibre-tip pens and markers.
